

PLANNING REF : 242484
PROPERTY ADDRESS : 37 Shepherd Road
: Shinfield
: RG29SR
SUBMITTED BY : Miss Emma Breen
DATE SUBMITTED : 15/11/2024

COMMENTS:

The application includes a through road including bus route through Shepherd Road. There are already enough transport connections and routes to the relief road without turning another residential road into a through road. A bus route already exists down a less populated road. The proposed new route will also be close to the kids playground and open space which doesn't seem very green or safe. Shepherd road is home to lots of children and this new road without any traffic measures will cause a safety issue.
