COMMENTS:

I am writing to object to the proposed application on the land off of Longwater Road.

Although not a resident of Finchampstead, I have lived in Crowthorne for around 35 years and during that time my family have much enjoyed the local surrounding countryside and particularly the Moor Green Lakes

Nature Reserve.

It seems to me that a development of this scale so close to the reserve would be completely out of keeping and detrimental to the environment.

The paucity of local services would be problematic for potential

new residents who, of necessity, would have to resort to making numerous car journeys for all their everyday needs.
