Why do you consider that a Lawful Development Certificate should be granted for this proposal?

This proposal is for the replacement of existing hard landscaping within a domestic garden in Twyford. Careful consideration has been given to the proposed design with both the client's requirements and the setting within the village being used to inform decisions. Observance to any Tree Protection Orders has also been considered and therefore, we believe that a Lawful Development Certificate should be granted.

- ☒ Yes
☐ No
