Dear Sirs,

SYRINGA, ROD EYOT, HENLEY ON THAMES

Thank you for your letter dated 13th May 1992.

In your reference to permitted development I presume you are referring to development permitted under Class E, Part 1 of Schedule 2 to the Town and Country Planning General Development Order 1988, The provision within the curtilage of a dwellinghouse of any building .... incidental to the enjoyment of the dwellinghouse .... You will note that development is not permitted under this class if it relates to a dwelling.

Your client occupies a small self contained building. The building stands upon an area of land separated from the main dwelling. The main dwelling has been let for separate accommodation and I understand will continue to be. It is my view that in these circumstances the development does not amount to permitted development as described above as an additional dwelling has been formed. This view has been confirmed by the Council's Solicitor.

I should be grateful if you would submit an application for planning permission. Should you wish to discuss this matter further, kindly contact me.

Yours faithfully

Dear Mr Walker

Re: Application for Certificate of Lawful Use or Development "Syringa", Rod Eyot, Henley-on-Thames, Oxon

... Further to your letter dated 4 July 2001 and our previous meeting on site on 14 May 2001, I enclose the following documents, which together comprise an Application for a Certificate of Lawful Use . This relates to the existing use of the single dwelling known as "The Summer House", for a period in excess of four years, as a single dwelling house (Class C3 of the Use Classes Order 1987).

1 Four copies of this letter.
2 Four copies of Application for Certificate of Lawful Development – Form A.
3 Four copies of an OS Plan showing the curtilage to The Summer House edged in red.
4 Four copies of Statutory Declaration signed by Mr R K Aurora.
5 Four copies of Statutory Declaration signed by Mr Hugh Nicklin.
6 Four copies of Statutory Declaration signed by Mr Christopher C Mills.
7 Four copies of Statutory Declaration signed by Mr A Kumar.
8 Four copies of Photograph showing The Summer House in February 1993 and 1990.
9 Four copies of Letter from South Oxfordshire District Council dated 28 April 1992.
10 Four copies of Letter from South Oxfordshire District Council dated 27 May 1992.
11 Four copies of Building Control Approval Extract dated 11 January 1993.
12 Four copies of photograph showing The Summer House.
13 Cheque to the sum of £190.00, made payable to South Oxfordshire District Council, the application fee.

The Application seeks to establish the existing use of The Summer House as a separate single dwelling house (Class C3), demonstrating the use has been continuous and subsisted for a minimum period of four years from 4 November 1996 to the present day.

The Summer House was erected in 1990 and is shown to the rear of the Boat House in the photograph taken in 1990 and submitted with the Application.

In a letter dated 28 April 1992, also attached with the Application, South Oxfordshire District Council acknowledged the existence of The Summer House, seeking Planning Permission for its retention.

You have visited the property and more recently, on 14 May 2001, viewed the property internally. You would have noted that The Summer House sits within its own private curtilage and comprises the following:

- Double bedroom
- Bathroom/WC
- Living room/Kitchen

The one bedroom dwelling has its own telephone line, is served by electricity and has its own water supply. The dwelling has the normal level of amenities afforded to private dwellinghouses. The Summerhouse has been occupied as a single dwelling for a continuous period in excess of four years from 4 November 1996.

Enclosed as part of the Application are Statutory Declarations from:

- Mr Christopher C Mills
- Mr Hugh Nicklin

Both of the above have occupied The Summer House as a separate single dwellinghouse.

Mr Mills occupied the property from 4 November 1996 to 18 November 1997.

Mr Nicklin has occupied The Summer House from 19 November 1997 until the present day.

Both of these periods of occupation are corroborated in Statutory Declarations signed by Messrs Mills and Nicklin.

The occupation of The Summer House by Mr Mills has further been corroborated in a Statutory Declaration signed by Mr A Kumar, attached with this Application. This confirms Mr Mills' occupation of the property between the period 4 November 1996 and 18 November 1997 and the occupation of the property as a single dwelling house.

Further to the above three Statutory Declarations a further Statutory Declaration has been submitted with the Application, signed by Mr R K Aurora. This confirms the date of construction of The Summer House and its occupation as a dwelling house from 4 November 1996 to the present day. This covers a period of four years and eight months.

The evidence within the Application demonstrates that The Summer House has been occupied as a separate single dwelling house for a continuous period of four years eight months from 4 November 1996 to the present day. This period demonstrates that the existing use of The Summer House as a single a separate dwelling house should be regarded as lawful and authorised.

Should you require any clarification or further information regarding the above then please do not hesitate to contact me,

Yours sincerely
