COMMENTS:

The Committee RESOLVED to OBJECT to this planning application on the grounds that it is out of keeping with the street scene due to it's excessive bulk, scale and massing. It is also built on the boundary.

If officers are minded to approve this application, the following conditions must be applied:

1. The Velux windows must be installed no less than 1.8m above floor level.
2. The building should be ancillary to the main property, not a separate dwelling.

The resolution was correctly proposed and seconded (4 in favour, 3 against).
