COMMENTS:

Having lived in the area for a little over 10 years now, I have seen many housing developments arise, and the detrimental impact these have had on our community, roads and green areas.

Shinfield 'village' (Shining fields), is largely flood plains and floods constantly. The roads are narrow and very busy at all times of the day, even with the addition of the Eastern 'Relief' road.

With the Hall farm development imminent (4k plus dwellings), and the recent demise of Dobbies (Closing December 2024) in favour of yet more housing and 0 amenities, I despair at Shinfield's future, and the health and safety of its residents, both present and future!
