

PLANNING REF : 242575
PROPERTY ADDRESS : catherine.glover@wokingham.gov.uk
:
:
SUBMITTED BY : Councillor Catherine Glover
DATE SUBMITTED : 28/10/2024

COMMENTS:

Residents in the vicinity of this industrial estate are concerned about the adverse negative impact of these increased operating hours on residential amenity.

They say that tenant requirements should not be given great weight in determining a planning application; the site is not in a Core Employment area but is surrounded by residential dwellings to the north, south and west.

I would like this application to be listed for wider discussion by the Planning Committee.
