

Location of the Proposed Tree Feeling at #1 & #2 East Lodge, Ludgrove RG40 3AD

T1 Pine tree

T2 Pine tree

Reasons for the proposed works: T1

[1] The pine tree is completely dead and could fall down any time the wind blows by – causing damage to nearby property as indicate on the left picture

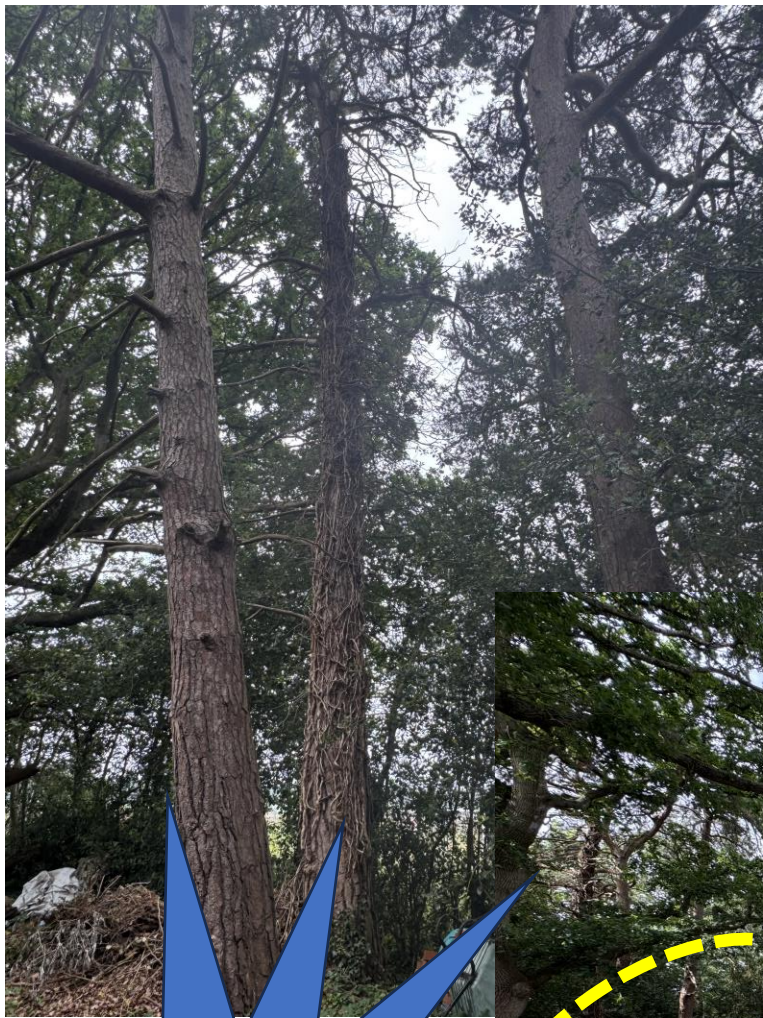

[2] The other nearby trees could be infected by the same disease.

Proposed work:

Cut down the tree completely by a professional tree surgeon

Nearby Properties at risk

Reasons for the proposed works: T2

- [1] The pine tree is completely dead and could fall down any time the wind blows by – causing damage to nearby property as indicate on the picture below
- [2] The other nearby trees could be infected by the same disease.

Proposed work:

Cut down the dead tree completely by a professional tree surgeon
