Appraisal :

The applicant proposes a first floor front extension to the detached dwelling located within the settlement boundary.

The dwelling has a side step front projection incorporating a garage and living room. The plan is to build above this with a gabled roof. Inside the bedrooms at the front would be extended. Only front windows would be created matching reasonably those existing. A new bathroom window would be inserted on the North elevation.

The adjacent neighbour No 18 is set slightly forward of No 19. The extension would therefore project past No 19 by 0.2 metres. This will not pose any overshadowing or privacy effect.

The opposing neighbour on Ash Way are screened from No 19 by a hedge running some 4-6m high and one very tall 15.0m tree. No overlooking can occur.

The first floor front extension is acceptable in this case because of the setting back of the adjacent house and the very side step projection. The gable roof will be very similar to the one on No 18.

No increase in bedrooms or will there be any removal of parking space. No change needed to parking arrangements
