: The Street, Swallowfield, Reading, Berkshire
: RG71RH
SUBMITTED BY : Mr Tim and Rebecca Rogers
DATE SUBMITTED : 12/11/2025

COMMENTS:

There has already been so many new houses approved that the spirit of our village is being lost as it turns into a town. There is not enough wider infrastructure to support this housing growth - as no new schools, doctors surgeries, or shops are being considered within these plans, and this is before we look at how unequipped the utilities and transport networks to support this currently are.
