NOTIFICATION OF APPROVAL OF CONSENT

Application Number: 252197
Applicant Name: Mr & Mrs Thapar
Site Address: 37 Broad Street, Wokingham, RG40 1AU
Proposal: Application for Listed Building Consent for the proposed erection of part single, part two-storey rear extension, basement extension, plus internal re-configuration and changes to fenestration.
Date of Decision: 11 December 2025

Wokingham Borough Council in pursuance of its powers under the above Acts and Regulations hereby **grants** listed building consent for the above works as stated in the application and the accompanying plans submitted to the Council subject to compliance with the following conditions, the reasons for which are specified hereunder.

Conditions and Reasons

1. Timescale

The works hereby permitted shall be begun before the expiration of three years from the date of this consent.

Reason: In pursuance of s.18 of the Town and Country Planning (Listed Building & Conservation Areas) Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).

2. Approved details

This permission is in respect of the submitted application plans and drawings numbered (2174 E01), (2174 P20 P2), (2174 P21 P5), (2174 P24 P2), (2174 P23 P4), (2174 P22 P4), (2174, P31 P1), (2174 P30 P1) & (2174 P34 P1), received by the local planning authority on 13/09/2025, 01/12/2025 & 10/12/2025. The development shall be carried out in accordance with the approved details unless otherwise agreed in writing by the local planning authority.

Reason: For the avoidance of doubt and to ensure that the development is carried out in accordance with the application form and associated details hereby approved.

3. Notwithstanding, and in addition to, the information shown on the approved drawings, no relevant works, or those above slab level, shall commence on site until details of materials and finishes have been submitted to and approved by the Local Planning Authority in writing. The submitted details should include physical samples as applicable. The works shall then proceed in strict accordance with the approved details. These requirements include provision of information relating to:

1. the material, size, texture, colour, profile, and source of facing brickwork and jointing mortar (to be demonstrated by an on-site sample panel of minimum 1m x 1m);
2. the material, size, texture, colour, profile, and source of roofing materials;
3. materials and finishes to be used in the detailing of valleys, hips, ridges, gables, parapets, eaves and verges;
4. the proposed rainwater goods.

Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan Policy TB24.

4. Notwithstanding, and in addition to, the information shown on the approved drawings, no relevant works shall commence on site until full working details of all windows and doors and related joinery, hereby approved, have been submitted to and approved in writing by the Local Planning Authority. Details shall include annotated elevations, sections and plans which are referenced to the approved plans. These details shall illustrate the nature of materials and finishes, framing elements, glazing, glazing units, glazing bars, and methods of opening. Drawings shall be at a minimum scale of 1:10 and with details at 1:5 and 1:1 as appropriate. The works shall then proceed in strict accordance with the approved details.

Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan Policy TB24.

5. Notwithstanding, and in addition to, the information shown on the approved drawings, no relevant works shall commence on site until full details of all balustrading and related fixtures and fittings, hereby approved, have been submitted to and approved in writing by the Local Planning Authority. Details shall include annotated elevations, sections and plans which are referenced to the approved plans. These details shall illustrate the nature of materials and finishes, framing elements and glazing. Drawings shall be at a minimum scale of 1:10 and with details at 1:5. The works shall then proceed in strict accordance with the approved details.

Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan Policy TB24.

6. All new works and works of making good to the retained fabric, whether internal or external, shall be finished to match the adjacent work with regard to the methods used and to material, colour, texture, and profile unless specifically approved otherwise.

Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan Policy TB24.

7. Notwithstanding, and in addition to, the information shown on the approved drawings, no relevant works shall commence on site until full details of all new mechanical and electrical services, including vents, flues, pipework, cabling, lighting or works associated with building regulations/fire regulations or other similar works have been submitted to and approved in writing by the Local Planning Authority. Details shall include annotated elevations, sections and plans which are referenced to the approved plans, and shall illustrate the nature of materials and finishes and methodology for installation. Drawings shall be at a minimum scale of 1:20, with details at a scale of 1:5. The works shall then be implemented in strict accordance with the approved details.

Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan Policy TB24.

Informatives

1. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the NPPF.

2. Whilst it would appear from the application that the proposed development is to be entirely within the curtilage of the application site, the granting of planning permission does not authorise you to gain access or carry out any works on, over or under your neighbour's land or property without first obtaining their consent, and does not obviate the need for compliance with the requirements of the Party Wall etc. Act 1996.

TOWN AND COUNTRY PLANNING ACTS PLANNING (LISTED BUILDINGS & CONSERVATION AREAS) ACT 1990

Other statutory legislation: This decision notice relates to the above stated acts and regulations only and does not constitute approval under any other legislation.

The Town & Country Planning (Development Management Procedure)

Order: This decision has been made in accordance with the requirements of the National Planning Policy Framework (NPPF) and in the requirement to work with the applicant in a positive and proactive manner.

Officer Report: An officer report explaining the decision will be available to view online.

Appeals to the Secretary of State: If your application has been **refused** by the Borough Council or **granted subject to conditions** that you are not happy with, you have the right to appeal to the Planning Inspectorate (under Section 78 of the Town and Country Planning Act 1990 or Section 20 of the Planning (Listed Buildings and Conservation Areas) Act 1990). This must be within **6 months** of the date of this notice which is stated above. Please note an extension of time for lodging an appeal is unlikely to be granted except in special circumstances.

The Planning Inspectorate is an Executive Agency reporting to the Secretary of State for Communities and Local Government. The Inspectorate has an online appeals service as set out on the [.gov.uk](https://www.gov.uk) website which contains information and guides on the appeal process. Alternatively you can obtain a form from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN, 0303 444 5000 or through the [Planning Inspectorate website](https://www.planninginspectorate.gov.uk). Please note all documents will be published online by the Planning Inspectorate and therefore you should not include personal information you do not wish to be displayed in this way. This includes personal information of third parties.

Discharge of Conditions: This consent may contain conditions that require further approval by submission of an application for approval of details reserved by condition and the appropriate fee. Application forms can be obtained for this purpose by visiting the [Planning Portal](https://www.planningportal.co.uk).

Building Regulations: Building regulations approval may be required for the proposed development; please see the [Council's building control page](#).

Fire Regulations: In accordance with the Berkshire Act 1986, when Building Regulation applications are submitted for building(s) or extensions, the Local Authority will reject the plans unless, after consultation with the fire authority, they are satisfied that the plans show the following:

- i) That there will be adequate means of access for the fire brigade to the building(s) or the extended building(s); and,
- ii) That the building(s) or extension(s) will not render inadequate any existing means of access for the fire brigade to a neighbouring building.
