Applicant Name: Emma Hamilton - manager
Site Address: 40 Reading Road, Wokingham, RG41 1EH
Proposal: Application for Listed Building Consent for the proposed erection of a single storey rear extension to the existing office space plus changes to fenestration.
Date of Decision: 8 November 2024

Wokingham Borough Council in pursuance of its powers under the above Acts and Regulations hereby **grants** listed building consent for the above works as stated in the application and the accompanying plans submitted to the Council subject to compliance with the following conditions, the reasons for which are specified hereunder.

Conditions and Reasons

1. Timescale - The works hereby permitted shall be begun before the expiration of three years from the date of this consent.

Reason: In pursuance of s.18 of the Town and Country Planning (Listed Building & Conservation Areas) Act 1990 (as amended by s.51 of the Planning and Compulsory Purchase Act 2004).

2. Approved details - This permission is in respect of the submitted application plans and drawings numbered Location Plan Sc 1:1250; 2332/22; 2332/23 & 2332/24 received by the local planning authority on 03/10/2024. The development shall be carried out in accordance with the approved details unless other minor variations are agreed in writing after the date of this permission and before implementation with the Local Planning Authority.

Reason: For the avoidance of doubt and to ensure that the development is carried out in accordance with the application form and associated details hereby approved.

3. Matching finishes - All new works and works of making good to the retained fabric, whether internal or external, shall be finished to match the adjacent work with regard to the methods used and to material, colour, texture and profile.

Reason: In order to safeguard the special architectural or historic interest of the building. Relevant policy: National Planning Policy Framework Section 16 (Conserving and Enhancing the Historic Environment) and Managing Development Delivery Local Plan policy TB24.

Informatives

1. Whilst it would appear from the application that the proposed development is to be entirely within the curtilage of the application site, the granting of planning permission does not authorise you to gain access or carry out any works on, over or under your neighbour's land or property without first obtaining their consent, and does not obviate the need for compliance with the requirements of the Party Wall etc. Act 1996.

2. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development as set out in the NPPF.
