Dear Mr. May,

**SECTION 211 NOTIFICATION OF WORK TO TREES WITHIN THE RUSCOMBE
CONSERVATION AREA
APPLICATION NUMBER: 250456
LOCATION: HOLME COTTAGE, CHURCH LANE, RUSCOMBE, WOKINGHAM, RG10 9UA**

With reference to your notification which was received and validated on 25th February 2025, and email communications with the Council's Tree Officer Colette Yan on 1st April and 23rd April 2025 to revise the tree works specifications on T1, Oak. I am writing to advise you that Wokingham Borough Council raises **no objections** to the proposed tree works being undertaken as specified within the Ruscombe Conservation Area.

Proposed works:

T1, Oak

- pruning to create 1.5m clearance to telephone wires
- reduce upright, overextending branches on north side of canopy by 2m
- Crown clean removing any dead, diseased, or dysfunctional branches back to suitable reduction points.

T2, Eucalyptus

- Crown reduction by 2m.

T3, Silver Birch

- Crown thin by approx. 25%
- reduce lower branches to create 5.2m clearance over Church Lane

T4, Liquidambar

- Crown thin by 15%.
- reduce lower branches to create 5.2m clearance over Church Lane

T5, Leyland Fir

- Crown reduction by 1m.

T6, Laurel

- Crown reduction by 1.5m. (exempt)

T7, Hazel

- Cut back from branches touching the wall of the garage by up to 0.5m.

Officer comments:

The proposed works are necessary to provide clearance over Church Lane, and the remaining works can be undertaken in accordance with arboricultural good practice. Serving of a TPO to prevent the proposed works is considered unnecessary and inappropriate on this occasion. The Wokingham Borough Council raises no objections to the proposed works.

Informatives:

1) You are advised that, in accordance with Part 4, 17 (4) of The Town and Country Planning (Tree Preservation) (England) Regulations 2012, this decision is valid for one pruning operation (as per the approved specifications) to be undertaken within two years from the date of this notice, after which date the consent lapses, and a new Section 211 Notification will be required.

2) You are advised that this letter is in respect of the Conservation Area only and it does not imply that consent would be forthcoming from the owner of the tree(s) or any such other persons from whom consent would be required.

If we can be of any further assistance, please contact the Tree and Landscape Officer via development.control@wokingham.gov.uk.

Yours sincerely,

Chris Hannington - Trees and Landscape Team Manager

Please note that your attention is drawn to the following information:

Bird Nesting Season and Presence of Bat Roosts

In accordance with the Wildlife and Countryside Act (1981) and Countryside Rights of Way Act (2000), consideration must be given to the timing and type of tree work operations, to avoid causing disturbance to any nesting birds or bat roosts that may be present within the tree(s).

The Act makes it an offence (subject to exceptions) to intentionally kill, injure, or take, possess, or trade in any wild animal listed, and prohibits interference with places used for shelter or protection, or intentionally disturbing animals occupying such places.

It is advised that all non-urgent major tree work and hedge cutting operations are undertaken at a time to avoid disturbing nesting birds during the breeding season (to which the bird nesting season is considered to be from March to July). Where bats are suspected to be present, it is recommended that advice first be sought from a licenced bat specialist and if appropriate, the relevant licence(s) be obtained before any major tree work or hedge cutting commences.

Forestry Act 1967 and Felling Licences

If it is proposed to fell a tree or trees greater than 5 cubic meters or sell more than 2 cubic meters of timber in any calendar quarter, a Felling Licence from the Forestry Authority may be required.

Please note that Felling Licences are not required to remove trees from domestic (residential) gardens. Where you are the landowner of large pieces of land with numerous trees, clarification from the Forestry Commission may be required as to whether a Felling licence is needed.

For more information on Felling Licences, please speak to the Woodland Officer at the Forestry Commission on 01296 696543

Further Information can be found on the Forestry Commission Website: www.forestry.gov.uk
