COMMENTS:

I leave in directly at the rear of the property at 84 Ravensbourne Drive. I oppose the proposed extension in particular the addition of dormers to the roof space. The dormers and windows will be incredible intrusive in the privacy of our home life. The dormers will allow to see directly into our 1st floor corridor and rooms, into the garden patio area, into the conservatory and into the kitchen. I feel this invasion of privacy is totally not acceptable. In addition the dormers will block the sun to our property in the afternoon during the winter months when the sun is low and it is most needed.

Due to the nature of the road and the wrap around close, the houses on these side of Ravensbourne are relatively close to other houses, adding dormers to the rear of the roofs is out of character with other properties
