

PLANNING REF : 252138
PROPERTY ADDRESS : 21
: Appleton way Way, Shinfield
: RG2 9RN
SUBMITTED BY : Dr Kevin Cassar
DATE SUBMITTED : 05/10/2025

COMMENTS:

We want to view a full environmental and biodiversity impact assessment carried out by an independent accredited body.
We also want to view a full sustainability impact assessment being conducted.
Any recommendations and restrictions to be fully addressed and adhered to by planning authority.

The number of houses has grown at a fast paced rater over recent five years, any further developments need to take in consideration the sustainability of the estate.
