COMMENTS:

The roads and junctions can't cope with the traffic we have now, especially when the M4 is closed at j11.
The noise and pollution during demolition is going to make being outside on the adjoining housing estate is going to be unbearable.
Outside in the summer won't be very nice.

There is only one way in and out of the housing estate, extra traffic is going to cause chaos and potentially a serious accident.
How are lorries going to get in and out. There is not enough room on the road
