Dear Mr Webb,

**SECTION 211 NOTIFICATION OF WORK TO TREES WITHIN THE MURDOCH ROAD
CONSERVATION AREA**
APPLICATION NUMBER: 242424
LOCATION: 3 SOUTH DRIVE, WOKINGHAM, RG40 2DH

With reference to your notification which was received and validated 23 September 2024, I am writing to advise you that Wokingham Borough Council raises **no objections** to the proposed tree works being undertaken as specified within the Murdoch Road Conservation Area.

Proposed works:

T1 Cherry:

- To dismantle down to ground level.

T2 Apple:

- To dismantle down to ground level.

Reasons stated for works:

T1 Cherry - Possible *Kretzschmaria* present, severe dieback throughout canopy, two large primary branches have died and one primary branch overhanging neighbouring garden has large wound/cavity by union with little holding wood left

T2 Apple - Tree is dead, didn't come into leaf this year.

Officer comments:

The Council considers that the proposed works are reasonable and would not adversely affect the character and amenities of the Conservation Area, and the serving of a TPO is considered unnecessary and inappropriate on this occasion.

Informatives:

- 1) You are advised that, in accordance with Part 4, 17 (4) of The Town and Country Planning (Tree Preservation) (England) Regulations 2012, this decision is valid for **one pruning operation** (as per the approved specifications) to be undertaken **within two years** from the date of this notice, after which date the consent lapses and a new Section 211 Notification will be required.
- 2) You are advised that this letter is in respect of the **Conservation Area only** and it does not imply that consent would be forthcoming from the owner of the tree(s) or any such other persons from whom consent would be required.

If we can be of any further assistance, please contact the Tree and Landscape Officer via development.control@wokingham.gov.uk.

Yours sincerely,

A handwritten signature in black ink that reads "Chris Hannington". The signature is written in a cursive, slightly slanted style.

Chris Hannington - Trees and Landscape Team Manager

cc. Applicant: Mrs Samantha Jones, 3 South Drive, Wokingham, RG40 2DH

Please note that your attention is drawn to the following information:

Bird Nesting Season and Presence of Bat Roosts

In accordance with the Wildlife and Countryside Act (1981) and Countryside Rights of Way Act (2000), consideration must be given to the timing and type of tree work operations, to avoid causing disturbance to any nesting birds or bat roosts that may be present within the tree(s).

The Act makes it an offence (subject to exceptions) to intentionally kill, injure, or take, possess, or trade in any wild animal listed, and prohibits interference with places used for shelter or protection, or intentionally disturbing animals occupying such places.

It is advised that all non-urgent major tree work and hedge cutting operations are undertaken at a time to avoid disturbing nesting birds during the breeding season (to which the bird nesting season is considered to be from March to July). Where bats are suspected to be present, it is recommended that advice first be sought from a licenced bat specialist and if appropriate, the relevant licence(s) be obtained before any major tree work or hedge cutting commences.

Forestry Act 1967 and Felling Licences

If it proposed to fell a tree or trees greater than 5 cubic metres or sell more than 2 cubic metres of timber in any calendar quarter, a Felling Licence from the Forestry Authority may be required.

Please note that Felling Licences are not required to remove trees from domestic (residential) gardens. Where you are the landowner of large pieces of land with numerous trees, clarification from the Forestry Commission may be required as to whether a Felling licence is needed.

For more information on Felling Licences, please speak to the Woodland Officer at the Forestry Commission on 01296 696543

Further Information can be found on the Forestry Commission Website: www.forestry.gov.uk
