Proposal: Application for non-material amendment to planning consent 260503 to allow the amending of the proposed ground floor study window to match the existing and amend the proposed living room window to be a sliding door set.

I refer to your application for a non-material amendment registered on 3 June 2026 under the above reference number. The proposal is for:

The proposed rear ground floor study window to be double sliding doors and the proposed front living room to better match existing is not considered to be material amendment to the originally approved scheme ref 260503 and as shown on plan numbered 2026-001-07a received by the Local Planning Authority on 5th June 2026.

Wokingham Borough Council accept the alterations referred to and shown in the plans above as non-material amendments which will not require the granting of a further planning permission. You are reminded this letter does not convey any additional approvals which may be required under other legislations including building control.

Yours sincerely,
