PROPERTY ADDRESS : Loddondide Lands End House
: Beggars Hill Rd, Charvil Reading, Berkshire
: RG10 0UD
SUBMITTED BY : Mrs Helen Elizabeth Broad
DATE SUBMITTED : 11/12/2025

COMMENTS:

My view is that the proposed plans would be totally unacceptable. It would impact on the village with increased traffic leading to more pollution which would affect the health of the local population. The nearby nature reserve is very popular for families and visitors. It is a wonderful area for wildlife and is used by dog walkers. In the event there was a spillage from the storage tank the results could be devastating for people and wildlife.
