COMMENTS:

I have lived in Twyford for 32 years & know this area extremely well as I walk round the lakes nearby. This is a catastrophe waiting to happen. When it does, it will be too late & it will take years to recover. Vehicles leak, accidents happen & the consequences of putting this operation in such a location will be devastating.

Please don't allow this to happen. You are signing a death warrant for this area. Please listen to what the community is saying, thank you.
