PROPERTY ADDRESS : 6 Wellington Cottages
: Warren Row Road, Warren Row, Berkshire
: RG10 8QX
SUBMITTED BY : Mr Will Varrall
DATE SUBMITTED : 05/01/2025

COMMENTS:

I fully support this application. The limited and minor works proposed to the building will not impact on the setting, character or heritage of the existing building and should enable the pub to become a sustainable business in the future for the significant benefit of both locals and the wider public. Given the detailed documents that support the applications and the significant levels of local support, officers should be given delegated powers to approve this application along with the listed building application at the earliest opportunity. However if it is the intention for these applications to be considered by the Planning Committee then please ensure that appropriate notice is given.
