Good morning Nathan,

Thanks for the message below. Colette Yan and I have coordinated and visited the site together. You will have received her email yesterday regarding TPO trees.

I reviewed the CA trees again, and T5839 (Elm) needs to be added to the section 211 notification. I will add it and reissue the letter this morning. As for T6216 (Plum), I believe this tree is within the TPO, as it is located opposite the tennis courts. See below and attached.

Thank you and kind regards,
Lindsey Abbott

Hi Lindsey,

I hope you are well?

Im slightly confused - I know that you mentioned that some of the trees that we sent a notification are, are within the TPO strip - but I do think some CA trees have been missed. For example T6216 (Plum) is within the CA but not on the notification.

I have attached what we have submitted - please could you highlight which of the trees are subject to TPO (I will submit an application for these) and then I will assume that any others have no objection.

Many thanks

Many thanks
