COMMENTS:

I strongly object to this planning application on the grounds that is likely to have an adverse effect on the traffic on the Reading Road. It has been observed on a number of occasions while the vehicles are waiting right turn into Gazelle close, the build up of traffic behind cuts through into the cycle lane and on to the pavement risking cyclists and pedestrians. In addition, vehicles approaching Reading Road from Gazelle Close often ignore the No Right turn.

There are a number of Islamic centers in Reading meeting the needs of the community.
