

PLANNING REF : 250666
PROPERTY ADDRESS : 14 Culver Lane
: Earley, Reading, Berkshire
: RG6 1DS
SUBMITTED BY : Mr Robert Grindley
DATE SUBMITTED : 23/03/2025

COMMENTS:

Planning permission has been applied for and the consultation period ends April 11th. Can someone explain how is it that the building is already being built? It does not have planning permission and may never gain permission. Despite this, the building process proceeds. How can this be? Does the owner just ignore the planning rules?
