

49 Elm Road,
Reading.
RG6 5TR

Landscape details.

There are no plans to alter or interfere with any landscaping.

Planning Statement.

Dormer windows are to admit light to the existing attic space. The new dormers will match the existing in terms of scale and materials. The enlarged bedroom will provide additional utility to the property.

Community Involvement Statement.

This application is for improvements to a private residential property. It is anticipated that there will be little to no change to the involvement of the community.
