

A wide-angle photograph of a large, open, sandy area, likely a beach or a large park. The foreground is a vast, flat expanse of light-colored sand, with long, soft shadows cast by the trees and structures. A dense line of mature trees with green foliage forms a natural barrier across the middle ground. Behind the trees, a modern building with large glass windows is visible. The sky is a clear, pale blue. The overall scene is bright and open, suggesting a sunny day.

08:06 25 August 2026

A wide-angle photograph of a modern, minimalist building with a flat roof and light-colored facade, partially obscured by a dense line of mature green trees. The foreground is a dry, grassy field with long shadows cast by the trees. The sky is clear and blue.
