COMMENTS:

I object to this planning application on the basis there has been too many houses being built in Arborfield without the infrastructure to back it up! we are already waiting 4 weeks for an appointment with a Dr at Swallowfield!! We are still a village, but with all the development already in the pipeline we will be a TOWN! Our beautiful countryside is fast disappearing. what happens to the red kites, (protected by the Wildlife & Countryside Act 1981.) there is enough building in this area,without an y structural plan.
