COMMENTS:

I can barely stomach the irreparable damage this would do to our local environment. Last year Winnersh had some of the worst flooding in recent years and now you want to pave over even more of the countryside. No I must object in the strongest possible terms, you simply cannot destroy out greenfields in this way. I implore every council member to oppose this planning permission request and safeguard the picturesque towns we have now, not drive us towards another metropolis with nothing green in site.
