: Wokingham  
: RG41 4TB  
SUBMITTED BY : Mrs Linda Lewis  
DATE SUBMITTED : 09/11/2025

COMMENTS:

The roads around this area cannot cope with the traffic as it is, to add in potentially another 3000 cars is ridiculous. The hospital cannot cope with the size of the area it has at the moment. Wildlife along the river will suffer with pollution and the green spaces are not enough to sustain a healthy area for wildlife
