COMMENTS:

Trowes Lane in Swallowfield has already been forced by WBC to have 90 new houses over two new developments. Adding a further 79 dwellings is insult to injury. Not only is Trowes Lane too small for these new developments WBC would have nearly doubled the size of the village. There are no schools here, no real shops , no infrastructure of any kind. I reject this proposal with everything I am.

I do know however that even opposing this will not work. The failure of WBC to update their hosing plans allowed the last development to win on appeal. I used to be a Lib Dem voter but no more will they have my vote. WBC create the illusion of democracy but let's not kid ourselves, you will do what suits you, always.
