Dear planning officer,

**Application number 252601 Land at North of Mill Lane, Sindlesham**

I fully support the above application, it is a well thought out small infill development for 3 detached 4 bedroom houses with plenty of parking and turning head for vehicular movements and with some additional planting it will make for a good place and environment to live.

The fact that they are proposing it as self build homes is an added bonus.

Kind regards

Mr R T Smith
