

PLANNING REF : 251310
PROPERTY ADDRESS : Foxlea
: Church Road, Farley Hill, Reading, Berks
: RG7 1TU
SUBMITTED BY : Mr David Thomas
DATE SUBMITTED : 24/06/2025

COMMENTS:

I wish to object to this plan on the following grounds:-

1) Ecology. The plan calls for the destruction of a viable and thriving ecosystem with dozens of nesting birds both in the hedgerows and trees. If this food chain is disrupted many of small mammals and birds of prey will be in danger as has happened in other parts of the country.

2) Environmental damage. Given that the nearest shop is a mile away and the (already swamped) GP practice is 2 miles away, it is fair to assume that there will be 650 extra cars on our narrow roads. Even if there are 5% EV's it still leaves around 590 ICE cars spewing out pollution (Mr Milliband please note) causing breathing problems for some of the population and traffic jams at certain times.

3) General destruction of green belt land that should NOT be used for extra housing not required in any local plan. I urge the council to reject this monstrous plan and to have the "back-bone" to stand up to Rayner if she tries intervene, let common sense prevail. Remember, voters have got long memories
