

PLANNING REF : 241567
PROPERTY ADDRESS : 1 Longwater Cottages
: 1 Longwater Cot Longwater Road, Eversley
: RG27 0NW
SUBMITTED BY : Miss Louise Alder
DATE SUBMITTED : 19/07/2024

COMMENTS:

I object to this planning application for a number of reasons. The site cannot be accessed by public transport and there are no cycleways or footpaths to the site. This means we will see an increase of hundreds of extra car journeys along this country road. The speed limit on this road is already an issue as it goes from 60mph to 30mph which means we see a lot of speeding cars through the 30mph area. The entrance to the site will be in the 60mph area so incredibly dangerous for cars pulling in and out. This field forms the buffer between the settlements in Eversley and Finchampstead and provides habitat for numerous protected species. The land immediately next to this proposed area is due to become a large new nature reserve and the field currently provides a buffer between the reserve and existing houses. The proposed development will be a much higher housing density than any of the neighbouring housing in the area and will look out of place.
