

### KEY:

The diagram illustrates five land preparation methods, each represented by a colored rectangle and a corresponding label:

- 200x50mm EKKI wood edging:** Represented by a white rectangle with a thin black border.
- 150mm concrete path:** Represented by a grey rectangle with a diagonal hatching pattern.
- Land Reduced:** Represented by a red rectangle with a diagonal hatching pattern.
- Land Infilled:** Represented by a green rectangle with a diagonal hatching pattern.
- Land partially Raised:** Represented by a green rectangle with a dense cross-hatching pattern.

A scale bar marked from 0 to 10 in increments of 1. The text "Scale Bar 1:200" is written below the bar.
