Hi,

Please see attached details of the 7 x aerial photos that I require. I have attached a screenshot of the actual photo that I need, plus the link, which I trust will enable you to provide what I need.

I also need proof of the date for each of the photos as well, so if you can please provide this at the same time and include everything in one invoice that would be helpful.

It is quite urgent (if it can be done today).

Kind regards,

**Neil March BSc (Hons) DiP TP MRTPI**
