Dear Sir/Madam

Re: Non-material amendment to approved planning permission 221844
At: Hogwood Farm, Sheerlands Road, Arborfield, Wokingham, RG40 4QY (Phase 9)

I am writing in relation to the above site and enclose an application for a non-material amendment to substitute a plan listed as approved under condition 2 of permission 221844:

Previously approved plan:	Proposed plan:
PLN-2-1105_Phase 9 Tenure Plan REV G	PLN-2-1105_Phase 9 Tenure Plan REV H

The proposal is to amend the affordable housing tenure of plots 30-44 and 50-51 on this phase to shared ownership and social rent rather than shared ownership and affordable rent.

A separate NMA application relating to phase 7 of the development has also been submitted and should be considered in tandem with this application. Proposed provision of affordable housing across both phases of development equates to 75% shared ownership, 25% social rent.

I trust this provides everything required to agree as a non-material amendment, but I would be more than happy to discuss should you have any queries.
