Appraisal :

1) The Proposal involves demolishing & repositioning part of a Side wall by 2.5m. This front still leave about 4.8m grassed area to the path.

The existing wall is 2.0m in height & runs along the Side boundary of the dwelling. It is only this small section of 3m x 2.5m which runs into the garden area. The repositioning will bring it in line with the remaining wall & provide a uniform boundary line.

As such, the proposal is considered acceptable.

Both the Tel. A. & Trees do not object to the repositioning of the wall.
