

PLANNING REF : 252362

PROPERTY ADDRESS : 32 Easby Way

COMMENTS:

: Lower Earley, Reading

Still not clear what the changes are from this application, and which set of approved drawings, 242471 or 232818, they apply to?

Is this application meant to combine approvals 242471 and 232818, if so, should this application be a full application rather than a S73, as the changes are quite significant compared to either 242471 or 232818?

However, the drawings submitted are treating this a full application not a variation, as the drawings relate back to the original unextended swelling drawings not to one of the existing approvals to which a variation would be sought.
