

Planning Officer,
Wokingham Borough
Council,

Wokingham,
Berks.
9.1.26.

Dear Sir,

Application no: 252498.

Development at Hall Farm, Shinfield.

I am writing to object to the above application on the following grounds:

- ① The loss of agricultural land to housing. We already have a new Village of Arborfield Green & have lost tenant farms to the new Solar facility - the majority of new development in Wokingham is on farms. Where will our sustainable food supply come from?
- ② Sadly we can no longer trust our

PTO

Water companies or environment agencies to protect our Rivers and associated wildlife & their habitats. A major development so close to the Loddon will be catastrophic for both.

③ As we frequently experience dry or near drought conditions in the South, yet another large development will deplete resources even further.

④ We have the excellent Royal Berkshire Hospital in Reading, but fear it will be unable to cope with thousands more residents.

Yours faithfully

Mrs. D.A. Norman.
