COMMENTS:

I am writing to express my full support for the proposed planning application in Finchampstead village. While visiting my friend, I noticed some signs against the application, which I believe may be based on misinformation.

I have always dreamed of living in Finchampstead, near my friend, and this development would provide essential affordable housing. It would significantly alleviate the burden of renting and the need to travel frequently to see my loved ones.

This development is not just an opportunity for me but for many others who aspire to live in this beautiful community. I urge you to consider the positive impact this project will have on residents' lives, including mine.

Thank you for your attention to this matter.
