

PLANNING REF : 252782
PROPERTY ADDRESS : 1 Kingsford Close
:
: RG54DT
SUBMITTED BY : Mr Simon Longhurst
DATE SUBMITTED : 01/12/2025

COMMENTS:

As a daily user of this road, additional HGVs entering and exiting this site would be dangerous and irresponsible. Plus the proximity of the nature reserve and possibility of contamination is just too much of a risk to our environment. Any leakage into the watercourse would be disastrous and affect not only the lakes, but the Rivers Loddon and Thames. Please do not grant permission for this unsuitable application.
