

PLANNING REF : 242532
PROPERTY ADDRESS : 9 Concorde Way
: Woodley, Reading
: RG5 4NF
SUBMITTED BY : Mrs Wendy Smith
DATE SUBMITTED : 08/10/2024

COMMENTS:

It would appear that a road is already being constructed through this development but permission for this has not been granted. The effect of more commercial traffic in a residential area is inappropriate. The impact of additional commercial vehicles will have a detrimental effect on neighbouring residential properties and surrounding roads. It isn't clear what the limits are for the hours of operation for these premises. Noise pollution will be a serious problem for people living in this area.
