COMMENTS:

My name is Sonya Sharman and I live with my husband at 8 Remenham Row. We have only lived here, and in this beautiful area, since December 2024, but are surprised and disappointed to hear about the proposed redevelopment at Thamesfield, Wargrave Road, Henley-on-Thames.

I would like to register my objection to the proposed redevelopment on several grounds.

1. This is a Conservation area and the suggested materials do not marry with the surrounding properties.
2. The size (height) of the development is not in keeping with the rest of the property and will dominate the landscape as well as affecting the privacy and light of 1 - 5 Remenham Row.
3. I am concerned that the unsightly nature of the building will impact on the value of the properties in Remenham Row.

In conclusion I would like my comments to be considered.
