COMMENTS:

I wish to object to this planning application as it falls outside the development limit and proposes development on a greenfield site. The site was not allocated in the WBC local plan and was previously deemed unsuitable due to a number of factors including being inappropriate to the existing settlement.

The lack of infrastructure, transport, GP etc in Hurst is very apparent to anybody who lives here and an unsustainable development such as this would only make this problem worse.

Finally, the proposed development is not in keeping with the village character, existing density or in keeping with WBC local character assessment strategy.

I object to this application.
