

PLANNING REF : 242067
PROPERTY ADDRESS : 1
: Bourn Close, Lower Earley, Berkshire
: RG6 4BH
SUBMITTED BY : Mrs Karen Fuller
DATE SUBMITTED : 17/09/2024

COMMENTS:

Having closely reviewed the plans I would like to firmly object. Whilst accepting that more housing is required, the and access of this development is so restrictive it's not feasible. Increased traffic will cause considerable congestion in an area that is already at capacity without the amenities like school places and health facilities which are already under sufficient pressure without this additional burden. This proposal also does not align with the local plan which was consulted upon so this application should not be supported.
