

PLANNING REF : 242067
PROPERTY ADDRESS : September Cottage
: School Road
: RG10 0DR
SUBMITTED BY : Mr Sam Turvey
DATE SUBMITTED : 18/09/2024

COMMENTS:

This proposed development would spoil the nature and character of the village by adding a huge number of additional buildings, most of them not in keeping. The local infrastructure cannot support the scale of development proposed and it would create traffic hazards - including for young children and families attending the local primary school. The land proposed for development also regularly floods and would be inappropriate to build on.
