Minicom No: (0118) 974 6991

Dear WBC Highways,

Consultation from adjoining LA Consultation

Application Number: 242749

Applicant: Scottish & Southern Electricity Networks

Site Address: Longmoor Bog SSSI

Parish:

Grid Reference: Easting - 477971, Northing - 165461

Type of Development:

Proposal: Consultation from Southern Electric Power Distribution for the following:
Section 37 application of the Electricity Act 1989 to install and keep installed the above
ground an electric line of any voltage.

Case Officer: Benjamin Hindle

Development Management has received the above application and we require your comments on the proposal using the recommended memorandum below. The documents associated with this are available to view in NEC DM using the application number 242749. Alternatively, public documents are available to view on the Council's planning application search page: [Wokingham Borough Council Online Planning](#).

Please index your response into NEC DM against the application. If you are recommending conditions, you should give a reason with reference to relevant policies. A list of standard conditions can be found on the Z Drive at: [Z:\Standard Planning Conditions](#).

Your observations are required in respect of this application within **10 working days** of the above date or **15 working days** if the development type is classed as a major development.

Yours sincerely,
Development Management & Compliance

Type of Development:			
Site Visit Made:	Yes/No		

Summary Of Recommendations

- ☐ No comment
- ☒ No objection
- ☐ No objection subject to conditions (and reasons) **stated below**
- ☐ Request further information before determination as **stated below**
- ☐ Objection due to the reason(s) **stated below**

Comments On Proposal

WBC highways have been invited to provide comments for this proposal, which involves the replacement of two electricity wood poles supporting 11kV (11,000 volt) overhead lines within the Longmoor Bog SSSI.

As the proposed Access Route and the replaced poles are not falling within the public highway, no highway impacts are expected.

Conditions & Reasons (if required)
