APPEALS TO THE SECRETARY OF STATE

PLANNING & ADVERTISEMENT APPEALS

1) If you disagree with the decision of the your local planning authority to refuse planning permission or you do not think that conditions placed on an approval are justified or reasonable, then you can appeal to the Secretary of State for the Environment, Transport and the Regions.

   If you want to appeal you must do so within **6 months** of the date of the decision notice for **planning applications** and within **8 weeks** in respect of **advertisement applications**, using a form you can get from The Planning Inspectorate. They can be contacted on (0117) 372 6373 or you can write to them at ; Temple Quay House, 2 The Square, Temple Quay, Bristol. BS1 6PN.

2) In some exceptional circumstances an appeal can be considered if more than 6 months or 8 weeks have elapsed since the date of your decision. If the 6 month/8 week time limit has expired and you wish to appeal please contact the Planning Inspectorate to find out if they are willing to accept it.

3) The Secretary of State does not have to consider an appeal if it appears that the local planning authority could not have granted planning permission for the proposed development or could not have approved permission without the conditions it imposed while having regard to the statutory requirement of the development order or any directions given under the order. In practice The Secretary of State does not normally refuse to consider appeals solely because the local planning authority based its decision on a direction given by him.

4) It is a statutory requirement for all appellants to copy their appeal forms direct to Wokingham District Council, Planning Services, P.O. Box 157, Civic Offices, Shute End, Wokingham, RG40 1WR, at the same time as the appeal is sent to the Planning Inspectorate. Details of this procedure will be included on the appeal forms.

PURCHASE NOTICES

1) If the local planning authority or the Secretary of State for the Environment, Transport and the Regions refuses permission to develop land or grants it subject to conditions, the owner may claim that the land cannot be put to a reasonably beneficial use in its existing state or cannot make the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

2) In these circumstances the owner may serve a purchase notice on the District Council in whose area the land is situated. This notice will require the Council to purchase an owners interest in the land in accordance with the provisions of Part XI of the Town and Country Planning Act 1971.

COMPENSATION

1) In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused or is granted subject to certain conditions by the Secretary of State for the Environment, Transport and the Regions on appeal or on reference of the application to him. These circumstances are set out in Section 114 and related provision of the Town and Country Planning Act 1990.

Appraisal :

The site is a two storey mid-terrace dwelling, situated within the identified settlement boundary of Woodley. The application being considered is for a S/S rear extension (retrospective).

Impact on neighbouring dwellings:
Due to the scale, design and siting of the S/S rear extension no adverse impacts are considered for neighbouring dwellings The extension is in line with householder SPG.

Impact on character of street scene.
Views of the said extension are possible from the car park to the rear. However, as many outbuildings are located to the rear boundaries of neighbouring dwellings the proposal is not considered to detract from the character of the street scene. The design is in keeping with the host dwelling.
