COMMENTS:

I would like to object this proposal not on a y religious note. The reading road is getting congested and more traffic nowadays especially during busy hours. So it is avoid the traffic as any lane would impact the traffic in reading road as it is the only connectivity. Woodley, Reading isn't far from Winnersh and there are similar community centers near by so it ain't needed near by. Also this will provide too much of noise pollution during the prayer hours. This might bring unnecessary chaos to winnersh which doesn't have any community center except a old church which is mostly used for some term activities and gatherings. I would say no to any religious community center in the winnersh in order to avoid the crowd. Also, I request the council to send the proposal details to our email directly as I am paying council tax and not getting what happening around the place I live. Many changes in recent years affecting my quality of living and to my family living in Winnersh. If this continues I don't have options to leave from this place.
