Development
The proposed development is for a single storey rear extension to form a conservatory.
The conservatory would be less than 35m3 volume, but requires planning permission due to the removal of Permitted Development right by outline consent 41113.

1) Impact upon neighbouring properties
There is a 1.8m fence surrounding the site. The proposed conservatory would follow the side building line of the existing dwelling which is set away from the neighbouring boundary. (The neighbouring property is also set away from the side boundary). The proposed conservatory would have a pitched roof 3m to the ridge and extend 3.58m from the rear building line.

It is not considered that the proposed development would have any adverse impact upon neighbouring properties in terms of overlooking, overshadowing and through being overbearing.

2) Impact upon the character of the streetscene
It is considered that there would be no adverse effects upon the character of the streetscene.
